DECISION
ON PETITION
:
:

This is a decision on the petition filed September 15, 1994, requesting withdrawal of the petition filed September 30, 1992, filed under 37 CFR 1.48(b) requesting a change of inventorship in the above identified application.

The record indicates that no decision has been rendered on the petition filed September 30, 1992. In addition, petitioner indicates that alteration of the claims has again made the original statement of the inventorship correct. Thus withdrawal of the original petition is appropriate.

The Petition is Granted.
